Balestin, Juliana. "Andrew Sendor at Sperone Westwater, New York." *purple.fr* (*Purple*), 6 March 2013.

# PURPLE.FR

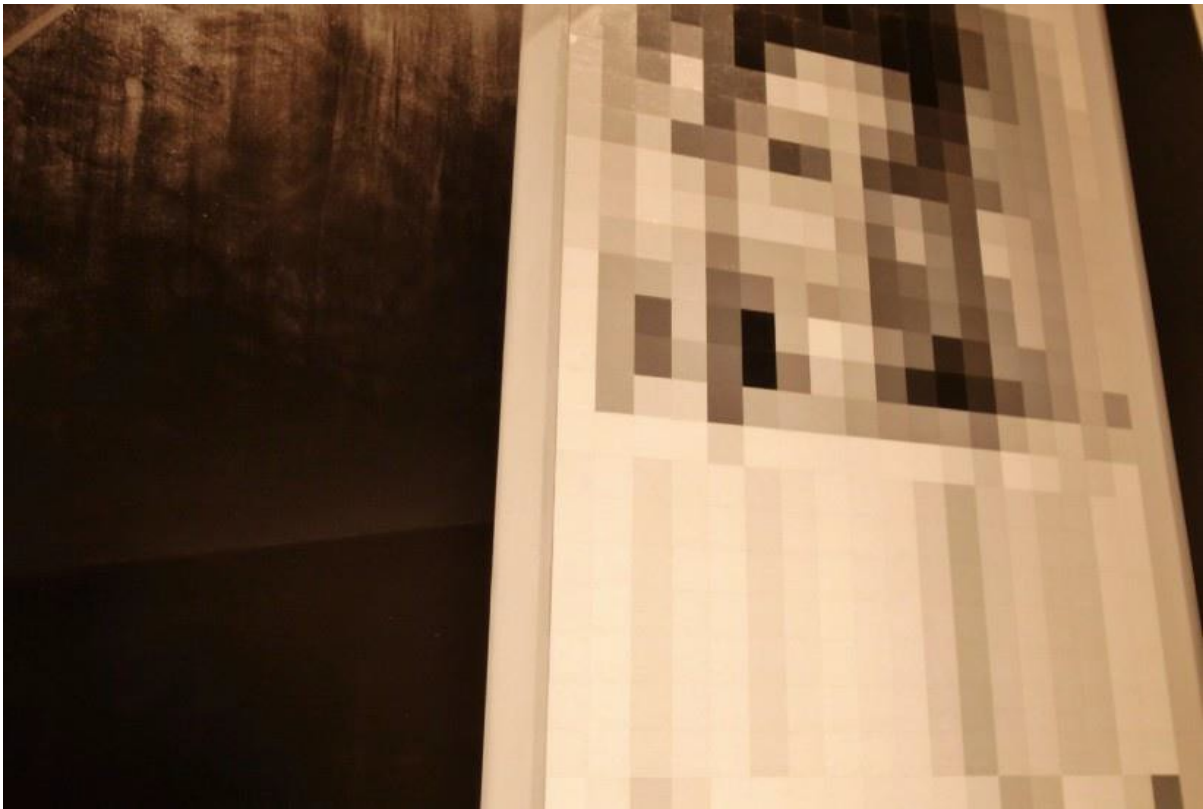

Andrew Sendor's first solo exhibition with Sperone Westwater investigates hypothetical narratives in art history. Sendor imagines paintings within paintings and suggests future scenarios for art. Pixelated images look forward to a new realm of art while the human figures remain firmly in the past creating work which hover in between two worlds. *messages.calendar.camera.jpg* is on view through March 30th 2013 at Sperone Westwater, 257 Bowery, New York.
